1005 Classroom Addition

Description of Problem

Please include a detailed description of the issues, as well as a description of and a copy of any professional studies, citations or reports from government entities, recommended solutions, and any cost information or estimates. If additional space is needed, please attach.

Page Unified School district is asking for funds to replace shingled roof areas above classroom wings. these are the original asphalt shingles from original construction 1989/1990. the shingles are dried and cracked, and are losing their water resistance, resulting in leaks in classroom spaces. the area is roughly 40,000 sq. ft. on all three classroom wings, cost estimate is roughly \$135,000.

Project Category: Roofing

Are any of the above-described issues in buildings or part of buildings that are leased to another entity, including a district sponsored charter school? N

Available Funding

Current unencumbered building renewal fund balance (Fund 690):	\$0.00
